

If you are traveling from Perth take the Kwinana freeway south to Bunbury. There is a large round-a-bout on the outskirts of Bunbury, take the left exit and follow the signs towards Busselton.

Approx. 8km from Busselton turn left (Sues Road) and follow the signs to Nannup.

From Nannup take the Brockman Highway Southwest towards Augusta.

Exactly 21Kms South of Nannup, after passing Stacey Road (16km), turn right into Longbottom Road.

Cross the bridge over the Blackwood River.

Take the next turn left onto Bogadillup Road (gravel road).

At the end of Bogadillup Road is a "T" junction. Willerin is straight in front.

Turn Right and then enter Willerin via the first gate on the left. You can park in the old stables, or if you have a lot of luggage drive around the other side of the stables and park near the house.

If you are walking from the stables go through the treed archway and follow the path to the right down to the cottage.

Please note that if you are arriving after dark you will need a torch.
